

October, 2017

Dear Friend of Putnam CAP:

Each year with your help, Putnam Community Action Partnership is able to assist local families by providing all the ingredients for a traditional Thanksgiving feast. We believe that everyone should have the opportunity to share in the bounty of the season without having it cause financial stress.

Once again we are calling upon the generosity of our community to assist us with the Thanksgiving Basket Program. Please consider donating to one of the many food drives that will take place across Putnam County on November 17, 18 and 19. Store locations and times are listed on the reverse side of this letter. If you prefer to shop at another time, you can refer to the list of all the foods comprising a complete basket, also printed on the reverse side, and just drop your donation off at the CAP office, located at 121 Main St. in Brewster.

Many people enjoy the fun of 'creating' a complete basket to donate. Whatever you choose, your donation is greatly appreciated. ***Please contact the CAP Office (845) 278-8021 to register your basket donation.***

Maintaining consistency and continuity in our food programs is essential. If you prefer not to shop at all, we have included a return envelope for your financial contribution.. You can donate online at any time by clicking on the **DONATE TO CAP** button on our website (www.putnamcap.org)

Thank you for your continued generosity. You can trust that your donation will enable many of our neighbors to have a bountiful and happy holiday.

Wishing you a very Happy Thanksgiving!
